

You can bring your own home to Princeton Windrows. We understand the rigors of downsizing. So our villas, townhouses and apartments are designed to accommodate just those most dearly-loved possessions you have chosen to bring, those that have made your present house a home. Settled comfortably in your new home, surrounded by our lovely campus, you will quickly realize that you are part of our bustling, sophisticated community of active, independent, friendly adults who enjoy a constantly renewed menu of activities that stimulate and nourish both mind and body. Most important, you will appreciate that we live our independent lives within a bubble of superlatives services --- fine dining, housekeeping, maintenance, security, and wellness --- provided by a dedicated staff. At Princeton Windrows everything conspires to make you feel at home.
